*Please note: - More and more of the Society's communications with members take the form of emails or notices on the website, expediting communication and saving money. Please indicate here if you do not use internet facilities and would need to have a paper version of announcements sent to you*

### Data Protection Act

Your membership details will be kept on a computer system only for the purpose of Society communications. Your data will be made available only to society members and will not be used for advertising or be made available for similar uses by any outside party. If you have any objections to this, please inform the Treasurer when paying your subscription.

The Society *may* decide to publish contact details, such as phone number and email address, at some future date for the benefit of members, for example, in a newsletter for members – please write no in the box below if you object to this action.

**Please fill-in this form and pass it with your subscription to the IOMARS Hon. Treasurer as soon as possible.**
